## HAPPENINGS

NOVEMBER 2011 NEWS...

### Competitive Recognition Events!!!!

Make sure your chapter signs up all interested members for these competitions. The November 15, 2011 deadline is quickly approaching! Competitive Recognition Events (CRE) are one of the most important components of FHA-HERO. They are an excellent opportunity for career preparation and meeting new people. You must pay your event entry fee and fill out all paperwork in order to compete. If a competitor earns first through fifth place, he or she will qualify for state competition in Fresno! Competing at the State Leadership Meeting is a great honor and may lead to national level participation. Don't forget to submit all paperwork to your advisor before November 15, 2011 in order to qualify for CRE regional competitions in February 2012.

### FUNDRAISING

One of our goals this year is to increase fundraising in FHA-HERO chapters. You can help fundraise by selling holiday grams, school supplies, or healthy snacks after school for students. Fundraisers at school can be a good way to increase membership and visibility as well.

The State Officers are excited that regions had successful and productive Fall Meetings.
