JULY 2011 NEWS...

## NATIONAL LEADERSHIP CONFERENCE

The National Leadership Conference held in our wonderful state of California on July 9–14, 2011. It was a great experience for all who attended. Here our members competed in STAR events (Competitive Recognition Events), participated in workshops, met the old and new national executive council, and met people from around the country. In addition to conference meetings, there was a Gala and a field trip to Knott's Berry Farm. We encourage everyone to raise the funds to go to next year's National Leadership Conference which will be held in Orlando, Florida.
