Introducing YOUR 2011-2012 State Officer Team

I, Denise Torres, am proud to be the 2011-2012 FHA-HERO State Secretary. I hope to increase membership with this position and want to help others become more informed about the organization. Aside from FHA-HERO, I am the team captain for the varsity tennis team and I also rank number eight in my class.

I, Madison Carr, State FHA-HERO Historian Reporter will be a junior at Newbury Park High School. I enjoy swimming and playing water polo. I also enjoy cooking for my friends and family. After high school I would like to attend Johnson and Wales University in Denver Colorado and Major in Culinary Arts and eventually open my own restaurant. In my term of office I would like to recruit more members and bump up the male involvement in FHA-HERO.

Hello fellow FHA-HERO members. My name is Joseph and I'll be your FHA-Hero State President this year. I've been an active, affiliated FHA-HERO member for almost four years now, and I graduate high school in the year 2012. Aside from all the FHA-Hero stuff I do, I participate in many activities including; cross country, swim team, marching/concert band, jazz band, and vocal jazz. My goal this year is to work with my State Officer team, and bring them and our organization, together as a whole. I wish to strengthen our organization, and increase our publicity in local communities. I enjoy meeting new FHA Hero members, and anyone who wishes to contact me may freely do so at jlee@ca-fhahero-fcla.org.

Thank you so much for electing me Erika Montano as your 2011 2012 FHA-HERO state treasurer. Over the course of this year I hope that we will all get to know everyone and not be shy to speak to our fellow members, but interact with one another. I am so excited for this upcoming year and meeting each and every one of you and hope to see you all at nationals. Hopefully our theme this year will help you better understand your future, succeed and go far with the knowledge you gained through FHA-HERO. I am a junior at Colton High School. I believe that FHA-HERO helps students better understand there future by competing in CREs and hope that more members will compete. I hope to one day go into a field that involves children. I am a ballet folkloric dancer and like to bake. Every Saturday I go to work at my great grandmas flower shop where I love to be because it's around all of my family.

I'm Abigail Stanton, Senior to be at Kern Valley High I have played tennis for 3 years and soccer for 6 years. I'm active in student council. This is my fourth year of FH-HERO. I've been Region Officer and Chapter Officer for 3 years.

Do not follow where the path may lead. Go instead where there is no path and leave a trail.

Region Advisors

Region advisors are available for technical assistance with HECT and FHA-HERO programs.
