**FEBRUARY/MARCH 2011 NEWS...**

## **Congratulations at Spring Region Meetings!!**

Hello wonderful FHA-HERO members, officers and advisors! It is March and you know what that means: only a few more weeks until the 64<sup>th</sup> Annual State Leadership Meeting! Last month, many of you attended your Region Spring Meetings and competed in one of our twenty Competitive Recognition Events (CRE's). Many of the state officers got a chance to attend some of these exciting meetings! We all can recall a time when we were stressed out and full of nerves during our own competitions. Fortunately, all of the competitors went above and beyond our expectations! Many members came home with medals, certificates and the opportunity to compete against other students from all over California. It was definitely a rewarding day!

Not only were there competitions taking place, but the election of new region officers occurred! Numerous candidates made speeches, answered questions and campaigned so that they could achieve the region officer title. It is sure to be a memorable experience full of leadership opportunities and a chance to develop interpersonal skills. Great job, new region officers, we cannot wait to see you all in action in Fresno!

On behalf of the 2010-2011 State Officer Team, we would like to commend you for your hard work and dedication! A congratulation to all who have competed and now have the opportunity to move onto the State CRE's in Fresno! The 64<sup>th</sup> Annual State Leadership Meeting is just around the corner and we are sure it will be unforgettable for all who attend!
